

**College has enough pressure. Don't let money be one. We can help.**

- Students loans.**

**Get a Central City Credit Union Student Loan Information folder. Ask for a copy from your high school guidance counselor, stop by our office, or call us at 387-3702 and we'll mail one to you.**

- Scholarships**

**We offer two scholarships (\$650 to MidState Technical College and \$1000 to UW-Marshfield/Wood County) to members and children of members. Applications for scholarships are taken at the college, not at the credit union.**
